**Re: Enbridge Gas Distribution Inc. ("Enbridge")
EB-2016-0028 Storage and Transportation Access Rule Application
Updated Evidence and Corrected Interrogatory Response**

Further to Enbridge Gas Distribution's filing of the evidence on March 10, 2016 and Interrogatory Response on May 18, 2016, Enbridge has noticed a minor error in the Daily Contract Demand Charge and Authorized Overrun Charge calculation which was the result of a data transposition error.

Attached please find an update to Exhibit B Attachment I and a correction to the response to Exhibit I.EGDI.STAFF.1.

The correction resulted in a change of less than half a percent in the R332 Daily Contract Demand Charge and the Authorized Overrun Charge.

This submission was filed through the Board's Regulatory Electronic Submission System (RESS). Confirmation of filing is attached to this letter.

Please contact the undersigned if you have any questions.

Yours truly,
