Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, 27th Floor
Toronto, ON M4P 1E4

Dear Ms. Walli:

Re: Natural Gas Market Review – EB-2015-0237
Enbridge Gas Distribution Comments on Intervenor Cost Claim Submission

In regards to the Ontario Energy Board's (the "Board") Notice of Hearing for Cost Awards for the 2015 Natural Gas Market Review, EB-2015-0237, dated May 11, 2016, Enbridge Gas Distribution Inc. (the "Company") has reviewed the cost claims received from the Association of Power Producers of Ontario (APPRO), Building Owners and Managers Association (BOMA), Consumers Council of Canada (CCC), Canadian Manufacturers & Exporters (CME), Federation of Rental-housing Providers of Ontario (FRPO), Industrial Gas User's Association (IGUA), London Property Management Association (LPMA), School Energy Coalition (SEC), and Vulnerable Energy Consumer's Coalition (VECC).

Although the Company has no overall objection to the Intervenor Cost Claims we have noted the following items in our review:

- BOMA's included a receipt for a courier disbursement which shows the base price of \$10.89 and the total billing amount of \$11.99. The receipt does not show an additional \$1.56 for HST;
- CME's disbursements costs were correct in the total amount put forward in the cost claim; we do note that the HST on the meal disbursement was \$1.66; and
- IGUA's disbursements included a second charge for HST on the January 21st, 2016 parking disbursement for a difference of \$2.60.

Enbridge reserves the right to make submissions regarding any outstanding intervenor cost submissions which are subsequently received.

The Company awaits the recommendations and or cost awards of the Board with respect to these cost claims.

Yours truly,

[original signed by]
