**RE: ACCESS TO NATURAL GAS  
YOUR REFERENCE #EB-2016-0004  
TOWNSHIP FILE: A-00 G**

---

Please be advised that during the Regular meeting of the General Purpose and Administration Committee on June 6, 2016 the following motion was carried;

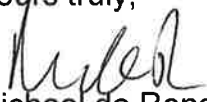

THAT Correspondence Item No. 127 be received for information;

AND THAT the Finance and Emergency Services Committee recognizes the benefit of access to natural gas to the Township of Uxbridge, in attracting new industry and creating jobs, creating more affordable commercial transportation and agriculture options and offering lower energy prices to residents and employers;

AND THAT Committee fully supports the efforts of Enbridge Gas Distribution before the Ontario Energy Board (#EB-2016-0004) where it seeks to address current regulatory rules and guidelines that limit Enbridge's ability to extend service to unserved communities in rural Ontario, like the Township of Uxbridge.

I trust you will find the above to be satisfactory.

Yours truly,

  
Michael de Rond  
Deputy Clerk
