Dear Ms. Walli:

**Re: Toronto Hydro-Electric System Limited ("Toronto Hydro")
Incremental Capital Module ("ICM") True-up Application – Request for
Settlement Conference
OEB File No. EB-2015-0173**

As the next procedural step in this proceeding, Toronto Hydro believes there is merit in the Ontario Energy Board ("OEB") convening a settlement conference. Toronto Hydro consulted with the intervenors of record and they are willing to participate, subject to it being without prejudice to their ability to request that the OEB provide for further procedural steps, including potentially the need for further discovery, if a full settlement is not reached. Based on the consultations, Toronto Hydro respectfully requests that the OEB make provision for a settlement conference on June 28 and 29, 2016.

Thank you for considering this request.

Regards,
