

**ONTARIO ENERGY BOARD**

**IN THE MATTER OF** the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15, Schedule B;

**AND IN THE MATTER OF** an Application by Ontario Power Generation for an Order approving payment amounts for the generation of electricity from its prescribed facilities as of January 1, 2017.

**NOTICE OF INTERVENTION**

**OF THE**

**SCHOOL ENERGY COALITION**

1. The School Energy Coalition (“SEC”) applies for intervenor status in this proceeding.
2. SEC is a frequent intervenor in Board proceedings. Our current Annual Filing can be found on the Board’s website, here:

<http://www.rds.ontarioenergyboard.ca/webdrawer/webdrawer.dll/webdrawer/rec/462191/view/>

3. The School Energy Coalition intends to apply for recovery of its costs reasonably incurred in the course of its intervention in this matter. SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.

**Issues to be Addressed**

4. SEC’s intended participation will focus on the following issues:
  - a. The proposed methodology used for setting payment amounts for the period beginning January 1, 2017, and each subsequent period;
  - b. The proposed costs and offsets for the test years, the resulting revenue requirement, the forecast of revenues, and the resulting deficiencies;
  - c. The proposed effective date;
  - d. The proposed capital spending plans of the Applicant, and the interaction between those capital spending plans, deferral/variance accounts, and government regulations;
  - e. The cost allocation and rate design proposed for the collection of the revenue requirement and deficiency from customers;
  - f. Benchmarking and customer engagement results of the Applicant;

- g. All requests for creation and/or clearance of deferral accounts, and all other components of the Application; and
- h. Generally to represent the interests of school boards and their students in this process.

### **The Intervenor's Intended Participation**

- 5. The School Energy Coalition intends to participate in any pre-hearing procedures, including interrogatories or technical conferences, and settlement conferences. SEC also intends to participate in any oral hearing of this matter, and in written or oral submissions, as well as any other parts of the process that the Board should order. SEC has not yet determined if it will file evidence.

### **Nature of Hearing Requested**

- 6. Until interrogatories have been answered, we believe it is premature to assess whether a written or an oral hearing is more appropriate in this proceeding.

### **Counsel/Representative**

- 7. SEC requests that a copy of all documents filed with the Board by each party to this proceeding be served on the intervenor, and on the intervenor's counsel, as follows:
