ORDER

EB-2016-0191

ENWIN UTILITIES LTD.

Application for a Service Area Amendment

BY DELEGATION, BEFORE: Peter Fraser
Vice President
Industry Operations & Performance

June 23, 2016

ORDER

EnWin Utilities Ltd. (EnWin) filed an application dated June 2, 2016 under section 74 of the *Ontario Energy Board Act, 1998* (OEB Act) for an order of the OEB to amend EnWin's and Hydro One Networks Inc.'s (Hydro One) service areas as described in Schedule 1 of their respective distribution licences ED-2002-0527 and ED-2003-0043.

This service area amendment is required in order for EnWin to provide electricity distribution services to a customer who is currently developing a solar generation project on a leased portion of the Windsor International Airport property at 6000 County Road 42 in the City of Windsor. Specifically, the Windsor Solar facility requires electrical service for an operations and maintenance building to be constructed at the solar generation project site. The location of the facility, including the building, is currently in Hydro One's service territory. The requested service area amendment applies only to the portion of the Windsor Solar project site where the operations and maintenance building will be located. The balance of the Windsor Solar project site will remain within Hydro One's service territory.

The evidence filed with the application demonstrates that it is more economically efficient for EnWin to serve the proposed customer. EnWin's existing facilities are in close proximity to the operations and maintenance building, while Hydro One's closest connection point is 1 km away.

I have considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

The incumbent distributor Hydro One Networks Inc. has confirmed its support of the application. No negative impact on rates, safety, reliability or service quality of EnWin or Hydro One has been identified as a result of the proposed amendment.

IT IS ORDERED THAT:

1. EnWin's Utility Ltd.'s electricity distribution licence (ED-2002-0527), specifically Schedule 1 of the licence, is amended to add the following:
 4. Part of PIN 01408-2026(LT) designated as part 7 on Plan 12R24449, City of Windsor and located at the municipal address known as 6000 County Rd 42 in the City of Windsor, N8N 2M1.

2. Hydro One Networks Inc.'s electricity distribution licence (ED-2003-0043), specifically Appendix B, Tab 4 is amended to include the following:

Name of Municipality:	Town of Tecumseh
Formerly Known As:	Town of Tecumseh, Village of St. Clair Beach, Township of Sandwich South, as at December 31, 1998.
Area Not Served By Networks:	The area served by EnWin Utilities Ltd. described as the former Town of Tecumseh as more particularly set out in Licence No. ED-2002-0527.

DATED at Toronto June 23, 2016
