ORDER

Fort Frances Power Corporation (FFPC) filed an application with the Ontario Energy Board (OEB) on April 21, 2016 under section 74 of the *Ontario Energy Board Act, 1998 (Act)*, for an order amending Schedule 1 of FFPC's Electricity Distribution Licence ED-2003-0028 to add 19 customers (2 residential RPP-TOU and 17 commercial General Service under 50 kW RPP-TOU) to its service territory. These affected customers were previously serviced by Hydro One Networks Inc. (Hydro One) and are listed in Schedule A of this Order.

FFPC requested, with Hydro One's consent letter, that the OEB dispose of this matter without a hearing. I find, based on the evidence filed in the application, that no other person will be adversely affected in a material way by the outcome of this proceeding. I have proceeded to decide the application without a hearing pursuant to section 6(4) of the Act.

IT IS ORDERED THAT:

1. Schedule 1 of Fort Frances Power Corporation's Electricity Distribution Licence ED-2003-0028 be amended to include 19 affected customers listed in Schedule A of this Order. The amended licence is attached to this Order.
