Dear Ms. Walli:

Re: Enersource Hydro Mississauga Inc., Horizon Utilities Corporation, PowerStream Inc. (collectively, the “Applicants”) – Application under Section 86 of the Ontario Energy Board Act, 1998 – Board File No. EB-2016-0025

We, together with Aird & Berlis LLP, are counsel to the Applicants in the above-captioned matter. In the Applicants’ reply submissions on matters relating to the draft Issues List and confidentiality, filed on Tuesday, June 28th, we advised that the Applicants were prepared to place copies of certain additional items on the public record. In keeping with that submission, please find accompanying this letter copies of the following items:

- Sections 7.1(1)(d), 7.1(3)(d) and 7.1(5)(d) of the MPA – Indemnity for claims pertaining to Streetlight design;
- Appendix “C”, section 2(23) and Schedule 2.1(3) of the MPA – PowerStream electricity generation facilities; and
- Schedules 3.9, 3.10 and 3.11 of the MPA – Enersource, Horizon Utilities and PowerStream Consents, Approvals and Waivers.

Please note that municipal addresses of PowerStream’s generation facilities and property owners’ names have been redacted from the lists of facilities in Appendix “C”, section 2(23) and Schedule 2.1(3) of the MPA. In some cases, those names and addresses may constitute personal information under the *Freedom of Information and Protection of Privacy Act* and the *Municipal Freedom of Information and Protection of Privacy Act*. Moreover, the Applicants do not have the consent of the property owners to the disclosure of their identities or the addresses of the installations. More generally, though, the Applicants submit that identities of the property owners and the specific addresses of the installations are not relevant to this proceeding. The municipalities in which the generation facilities are located, as well as the

contract numbers and capacities of the facilities, remain disclosed in the public versions of these documents.

Please do not hesitate to contact the undersigned should you have any questions.

Yours very truly,

BORDEN LADNER GERVAIS LLP
