Dear Ms. Walli:

**Re: Consultation on the Regulatory Treatment of Pensions and
Other Post-Employment Benefit Costs
Board File No. EB-2015-0040**

Further to Board Staff's June 23, 2016 email requesting information regarding attendance and participation at the upcoming stakeholder forum, Union Gas Limited ("Union") provides the following:

If your organization is making a presentation, who are the presenters and what is your time estimate for the presentation itself (not including questions)?

- Union's presentation group will consist of Sherri Steingart (Controller, Union Gas) and Ashley Witts (Willis Towers Watson).
- It is estimated that Union's presentation will take approximately 30 minutes.

How many representatives from your organization will attend in person?

- Union will have five representatives at the stakeholder forum – the two people identified as the presentation group plus Crawford Smith (Torys LLP), Stephen Butterfield (Willis Towers Watson) and Patrick McMahon (Manager, Regulatory Research and Records, Union Gas).

How many representatives from your organization will sign into the webcast?

- It is estimated that five representatives from Union will sign in to the webcast during parts of the stakeholder forum.

If the forum does not conclude on July 20, do you have any conflicts that would prevent the attendance of your presenters or representatives on either July 21 or July 22?

- Union's representatives do not have any conflicts on either July 21 or July 22 but we do request as much notice as possible given the need to make travel and hotel arrangements.

Should you have any questions, please do not hesitate to contact me.

Yours truly,
