## **LETTER OF COMMENT**

### **Comments:**

Tired of paying more and more for less and poorer service. A number of years ago we installed a stand by gas generator to look after our needs when there is a power outage. When Hydro One becomes a reliable and cost effective supplier of power needs they may be entitled to an increase. Prove Hydro One deserves it and then give it. We don't give grades for what a student MIGHT do or a raise for what an employee MIGHT do but for what has been done.
