**Further Written Submission of the Ministry of  
Natural Resources and Forestry**

We are in receipt of OEB Staff's written submissions of Friday, July 15, 2016. In response to the section entitled "MNRF Role and Position", in which further specified comment from MNRF was suggested, we would like to offer some further submissions on the application.

1. MNRF is satisfied that the application materials, as filed, including the updated reports (the geomechanical assessment report and the risk assessment report), are in accordance with the requirements of CSA Z341 and the Provincial Standards.
2. Based on the evidence filed by the applicant, MNRF does not have concerns regarding potential impacts to the adjacent Enbridge Dow Moore Designated Storage Pool.

**All of which is respectfully submitted.**

Dated at Toronto this the 20<sup>th</sup> day of July, 2016.

Yours truly,

Demetrius Kappos  
Counsel
