LETTER OF COMMENT

Comments: *(please see below and attachment)*

Please see attached my letter recently sent to the Minister of Energy.
It relates to increasing costs.

I have only just learned of these proceedings. I require a reasonable opportunity to review the 60+ documents uploaded to your website.

Please communicate with me by mail or telephone. I am a senior and do not use the internet.

I have a right to participate. Someone has to fight for the future of our children and grandchildren. They do not have time to deal with this.

Thank you.
