**Re: Independent Electricity System Operator  
2016 Expenditure and Revenue Requirement Submission  
Replacement Attachments to Interrogatory Responses  
Ontario Energy Board File No.: EB-2015-0275**

---

The Independent Electricity System Operator (“IESO”) is writing to file three replacement attachments which were included with responses to interrogatories filed on July 22, 2016. The attachments are the following excel spreadsheets:

IESO IRR ENERGY PROBE 6 Att 1 IESO - Grade Structure - Executives -July 17 2015.xlsx
IESO IRR VECC 5 Att 1 Grade Structure - Executives (July 17 2015).xlsx
IESO IRR VECC 5 Att 2 Grade Structure - Mgmt Group wo Exec's (June 4 2015).xlsx

The IESO has noticed that these attachments contained extraneous information related to individuals. As a result, the IESO is filing the replacement attachments through the Board’s RESS and email, and requests that the prior versions filed and sent be deleted from the record.

Yours truly,

Nancy Marconi  
Senior Manager, Regulatory Affairs
