Dear Ms. Walli:

Re: Board File No. EB-2016-0160, Hydro One Networks Inc. Application for approval to increase transmission rates (2017 and 2018)

We are counsel to Anwaatin Inc. (**Anwaatin**) in the above-mentioned proceeding (the **Proceeding**). In Procedural Order No. 1, dated July 29, 2016, the Ontario Energy Board (the **Board**) approved Anwaatin's request for intervenor status and cost eligibility in this Proceeding.

We respectfully request that the Board update the record to reflect that, as of the date of this letter, Anwaatin is intervening for and on behalf of the following entities:

- Aroland First Nation;
- MoCreebec Eeyoud; and
- Waaskiinaysay Ziibi Inc. Development Corporation, which is an economic development corporation representing five First Nations in the Lake Nipigon Watershed: Rocky Bay First Nation, Bingwi Neyaashi Anishinaabek, Red Rock Indian Band, Whitesand First Nation, and Animbiigoo Zaagiigan Anishinaabek.

In the event that the Board procedures in this matter provide for intervenor evidence or other mechanisms of direct participation, please be advised that representatives of certain of these First Nations do intend to travel to participate accordingly and may therefore be seeking to recover their reasonably-incurred costs in accordance with the Board's further directions and *Practice Direction on Cost Awards*.

Yours very truly,

Lisa (Elisabeth) DeMarco
