**Re: Milton Hydro Distribution Inc.  
2016 Distribution Rate Application  
Board File Number EB-2015-0089**

In its Decision and Order dated July 28, 2016 the OEB approved the distribution rates for Milton Hydro for 2016. The OEB has noted a typographical error in the Decision and Order. Pursuant to its powers under Rule 41.02 of the OEB's Rules of Practice and Procedure, the OEB may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in its orders or decisions. In this regard the OEB has amended the first sentence in the second paragraph on page 53 of the Decision and Order. The sentence currently reads:

"... the OM&A costs for property taxes, gas and electricity **should not be included** in the revenue requirement ..."

The sentence should read:

"... the OM&A costs for property taxes, gas and electricity **should be included** in the revenue requirement ..."

The OEB will place the corrected version of the Decision and Order on the record of the proceeding.

Yours truly,
