## NOTICE OF APPLICATION AND WRITTEN HEARING

### Canadian RiteRate Energy Corporation Application for Electricity Retailer Licence

#### **The Application**

Canadian RiteRate Energy Corporation filed an application dated July 12, 2016 with the Ontario Energy Board (the "OEB") under section 60 of the *Ontario Energy Board Act, 1998*, (the "Act") for an Electricity Retailer licence. The granting of this licence would enable the applicant to retail electricity in Ontario.

The application will be decided by an employee of the OEB who has been delegated this authority pursuant to section 6 of the Act. The OEB does not intend to provide for an award of costs when deciding the application.

#### **How to see the Application**

To see a copy of the application, go to the Consumer page of the OEB's website and enter the case number EB-2016-0221 in the "Find an Application" box. A copy can also be seen at the OEB's office and at Canadian RiteRate Energy Corporation's office at the address indicated below.

#### **How to Participate**

Interested persons may participate in the Board's hearing of the application by following the steps set out in this notice.

#### ***Oral vs. Written Hearings***

There are two types of OEB hearings – oral and written. The OEB intends to proceed with this application by way of a written hearing. If you think an oral hearing is needed, you can write to the OEB to explain why. Your submission must be received by the OEB and copied to Canadian RiteRate Energy Corporation by **August 25, 2016**.

***Interrogatories***

If you wish to obtain information from the applicant that is in addition to the application materials already filed with the OEB (i.e. the “pre-filed evidence”) and that is relevant to the hearing, you must request it by written interrogatories filed with the OEB, and delivered to the applicant, on or before **August 29, 2016**. Please ensure that each interrogatory request includes a reference to the relevant page or item in the pre-filed evidence.

The applicant shall file complete responses to each interrogatory with the OEB, and deliver them to all interested parties in the proceeding, no later than **September 12, 2016**.

***Written Submissions***

You may express your views on the application by filing a written submission with the OEB. Your submission must be received by the OEB and copied to Canadian RiteRate Energy Corporation by **September 26, 2016**.

If Canadian RiteRate Energy Corporation wishes to respond to any submissions, its reply shall be made in writing, and filed with the OEB and copied to any party who made a written submission by **October 10, 2016**.

All written submissions sent to the OEB will be placed on the public record, which means that the written submissions will be available for viewing at the OEB's offices and will be placed on the OEB's website. If the written submission is from a private citizen, the OEB will remove any personal (i.e., not business) contact information from the written submission (e.g., the address, phone number, and e-mail address of the individual), before placing the written submission on the public record. However, the name of the individual and the content of the written submission will become part of the public record.

As stated elsewhere in this notice, you must provide a complete copy of your written submission (including your name, contact information, and everything written in the submission) to the applicant.

**How to File Documents with the Board**

All written submissions filed with the OEB must quote file number EB-2016-0221 and clearly state the sender's name, postal address, telephone number and email address. You must forward two paper copies and, if possible, an electronic copy in Word format

and in searchable PDF format, of your written submission to the OEB and one copy to the applicant. All written submissions to the OEB should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.
