Dear Ms. Walli;

Re: Enersource, Horizon Utilities and PowerStream (collectively, the “Applicants”) MAADs Application (EB-2016-0025)

The Applicants are in receipt of the Ontario Energy Board’s Procedural Order #2 in which the OEB provided dates for the adjudication of the Application, through to the final reply submission, which is scheduled for September 29, 2016.

James Sidlofsky and Fred Cass are counsel to the Applicants in this proceeding. However, Mr. Cass is scheduled to be in Divisional Court on September 29, 2016, in the matter of an appeal by telecommunications carriers, Rogers Communications Partnership, TELUS Communications Company, Quebecor Media Inc., and Allstream Inc., of the OEB’s decision on the charge for attachments to Hydro Ottawa’s poles in the Hydro Ottawa Limited Custom IR case (EB-2015-0004).

The appeal has been scheduled to be heard by the Divisional Court on September 29, 2016 at 10:00 a.m. Mr. Cass is representing Hydro Ottawa, which is one of the respondents to this appeal. The OEB is also a respondent to the appeal.

By way of this letter, the Applicants request that the date of the final reply submission be changed to accommodate Mr. Cass. The Applicants respectfully request that the oral delivery of the reply submission be rescheduled to either Wednesday September 28, 2016 or Friday September 30, 2016.

We ask that the OEB consider these circumstances and advise of a revised date for the Applicants' reply submission.

Thank you in advance for your consideration in this matter.

Yours Truly,
