

August 10<sup>th</sup>, 2016

Ms. Kirsten Walli, Board Secretary  
Ontario Energy Board  
2300 Yonge Street, Suite 2700  
P.O. Box 2319  
Toronto, ON. M4P 1E4

Dear Ms. Walli:

**Re: Reference OEB File No. EB-2016-0196**

We understand that an alternate transmission route for wind turbine generated power in the Township of West Lincoln has been submitted to the OEB for its consideration.

This revised route would have the transmission towers cross Highway 20 as opposed to running along Highway 20 for a portion of the route as originally approved.

The Niagara Catholic District School Board, which is currently constructing the new elementary school at the corner of Highway 20 and South Grimsby Road 6, fully supports this alternate transmission route.

If I can be of any further assistance, please contact me at the Catholic Education Centre at 905.735.0240 x 220.

Sincerely,

John Crocco  
Director of Education, Secretary / Treasurer

cc. Mayor Douglas Joyner, Township of West Lincoln  
Brian Treble, Director of Planning & Building, Township of West Lincoln  
Scott Whitwell, Controller of Facilities Services, Niagara Catholic District School Board  
William Amadio, Board Solicitor
