Dear Mr. Catalano and Mr. McAllister:

**Re: Hydro One Networks Inc. and Collus PowerStream Corp.'s Joint Application for Elimination of Load Transfer Arrangements Board File Number EB-2016-0219**

The Ontario Energy Board (OEB) received Hydro One Networks Inc. and Collus PowerStream Corp.'s joint application for elimination of load transfer arrangements on July 11, 2016. The OEB has assigned file number EB-2016-0219 to the application. The application will be decided by an employee of the OEB who has been delegated this authority pursuant to section 6 of the *Ontario Energy Board Act, 1998* (Delegated Authority). The Delegated Authority intends to make a decision on the application without holding a hearing.

After preliminary review of your application, OEB staff requires clarification on your response to the following section of the application form:

- Section 1.3 Description of Proposed Service Area, specifically sub-section 1.3.1. Please kindly provide the OEB with a detailed service area description of the area(s) that is subject to the service area amendment (SAA) and **how the SAA should be reflected in Schedule 1 of the licence(s) of the distributor(s).**

If required, OEB staff will contact you directly to seek clarification regarding the application and/or request additional information or material to complete the application. For these purposes, OEB staff may contact you by email, regular mail, or by telephone. Once your application is complete, the Delegated Authority expects to issue a final decision on your application within 60 - 90 days.

In the event the Delegated Authority decides to deny or otherwise modify the relief you requested in your application, you will be given an opportunity to provide comments. The Delegated Authority will consider your final comments, if any, prior to issuing a decision and order.

Any questions relating to this letter or your application should be directed to Saleh Lavaee, Analyst at 1-416-440-8145 or [Saleh.Lavaee@ontarioenergyboard.ca](mailto:Saleh.Lavaee@ontarioenergyboard.ca).
