LETTER OF DIRECTION

Dear Mr. Wachsmuth:

**Re: Union Gas Limited
Application for Sudbury Maley Replacement Project
Board File Number EB-2016-0222**

On July 14, 2016, Union Gas Limited (Union) applied to the Ontario Energy Board (OEB) under s. 90(1) of the *Ontario Energy Board Act, 1998* for leave to construct a pipeline to replace two pipeline segments and increase the size of one of those segments of the Sudbury Lateral System in the City of Greater Sudbury (Sudbury Maley Replacement Project).

The OEB has issued a Notice of Hearing for Union's application. The English and French versions of the Notice will be published by the OEB, in accordance with directions to the OEB's agent which were copied to you. Please note that you must comply with the directions in paragraphs 2 and 3 below **prior to August 24, 2016**, which is the publication date of the newspaper in which the Notice will appear last. If you are unable to comply with the directions within this timeframe, you must inform the OEB immediately.

You are directed:

1. To conduct a search of title forthwith, sufficient to determine the current registered property owners and encumbrancers with lands or interest in the lands directly affected by the proposed pipeline and related facilities.
2. No later than the date the Notice is posted on Union's website in accordance with paragraph 3, to arrange for the service of both the English and French versions of

the enclosed Notice, in the exact forms accompanying this letter, and the application and the evidence, directly on each of the following:

- a. all property owners and encumbrancers with lands or interest in lands identified in the search of title referred to in paragraph 1 above
 - b. the clerk of the City of Greater Sudbury
 - c. all Aboriginal communities that have been consulted or with lands or interest in the lands directly affected by the proposed pipeline and related facilities
 - d. the Métis Nations of Ontario, Lands, Resources and Consultation Office, 75 Sherbourne St., Suite 222, Toronto, Ontario M5A 2P9
 - e. all affected utilities and railway companies
 - f. members of the Ontario Pipeline Coordinating Committee
3. To make a copy of both the English and French versions of the Notice, the application and evidence, and any amendments thereto, available for public review at Union's office and in a prominent place on Union's website.
 4. To file with the OEB an affidavit in both electronic and paper forms proving completion of the matters in paragraphs 1, 2 and 3 above, immediately thereafter.
 5. To provide a copy of both the English and French versions of the Notice, the application and evidence, and any amendments thereto, to anyone requesting the material.

You are further directed not to include any documents or materials when serving the Notice other than documents or materials expressly required by this letter of direction to be served.

Yours truly,
