**Re: Independent Electricity System Operator  
2016 Expenditure and Revenue Requirement Submission  
Ontario Energy Board File No.: EB-2015-0275**

---

The Independent Electricity System Operator (“IESO”) is writing to notify the Board that it has reached a partial settlement agreement in principle with intervenors in its 2016 Revenue Requirement Submission. A majority of the issues have been settled in principle. Parties are working towards finalizing a partial settlement agreement with the Board, but given that discussions concluded just yesterday, the IESO is writing to request the filing date identified in Procedural Order 3 be extended to Wednesday, September 7, 2017. The IESO believes that the additional time would be sufficient for the IESO to work collaboratively with intervenors to complete the final settlement agreement.

Yours truly,

Nancy Marconi  
Senior Manager, Regulatory Affairs
