BY EMAIL TO THE ONTARIO ENERGY BOARD

August 29, 2016

Dear Ms Tayce A. Wakefield:

We are in receipt of your July 14, 2016 communication to the Ontario Energy Board (OEB) regarding Hydro One Networks Inc.'s recent Transmission Rate application. Thank you for your interest in the Company's application.

In making its application to the OEB, the Company is seeking approval of transmission rates that will allow Hydro One to meet customer needs and preferences, ensure regulatory compliance, and maintain and sustain its transmission system assets so that Hydro One can continue to safely and reliably transmit electricity to the people of Ontario.

The OEB's hearing process, as outlined in the OEB's published Notice, provides you with various ways to present your concerns and comments about Hydro One's application to the OEB. In accordance with the OEB's Notice, your comments, along with other comments filed on this application, will be provided to the OEB Members deciding the application.

If you need more information on the review process and ways to participate, you can visit the OEB's website at <http://www.ontarioenergyboard.ca> or call the OEB's Consumer Relations Centre at 1-877-632-2727.

If you require further details of our application, Hydro One's complete application is available at <http://www.hydroone.com/RegulatoryAffairs/Pages/TxRates.aspx>.

Sincerely,
