Milton Hydro Distribution Inc. has applied to the Ontario Energy Board for approval to recover lost revenues for conservation and demand management programs from 2011 to 2014. The increase for a typical General Service <50 kW customer is expected to be \$1.40 per month. Other customers, including businesses, may be affected as well.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Milton Hydro's request. We will question the company on its case for a rate increase. The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
