Ms. Kirsten Walli
Board Secretary
Ontario Energy Board

Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc. (“Enbridge”) – Comments on Cost Claims
EB-2016-0142 – 2015 Earnings and Sharing Mechanism**

In regard to the Ontario Energy Board’s (the “Board”) Decision and Order dated August 11, 2016, in the above noted proceeding, Enbridge has reviewed the cost claims received from the Building Owners and Managers Association (BOMA), Canadian Manufacturers and Exporters (CME), Consumers Council of Canada (CCC), Energy Probe Research Foundation (Energy Probe), Federation of Rental-Housing Providers of Ontario (FRPO), Industrial Gas User’s Association (IGUA), School Energy Coalition (SEC) and Vulnerable Energy Consumers Coalition (VECC).

Although Enbridge has no objection to the Intervenor cost claims we have noted the following items in our review:

- BOMA claims two courier disbursements from Blizzard Courier Ltd. however receipts or waybills from Blizzard have not been provided. On BOMA’s cost claim from the 2014 DSM Clearance (EB-2015-0267) a base price and total billing amount were provided on BOMA’s disbursement page which provides clarification on whether HST has already been included in the courier charges.

Enbridge awaits the recommendations and or cost awards of the Board with respect to these cost claims.

Sincerely,

{original signed}
