Dear Ms. Fraser:

**Re: Notice of Hearing for Cost Awards
Natural Gas Demand Side Management Evaluation Advisory Committee
Board File No. EB-2015-0245**

On August 19, 2016, the OEB issued its Notice of Hearing (the Notice) for cost awards related to the activities of the Demand Side Management Evaluation Advisory Committee (DSM EAC). As part of the Notice the OEB indicated that cost claims need to be filed on or before Friday, September 2, 2016.

The OEB has been advised of your recent mandatory medical procedure. In light of your current circumstances, the OEB is providing you an extension until September 30, 2016 in order to submit your cost claim for your participation in the DSM EAC. Should you require further time to file your cost claim, please advise.

In the interim, the OEB will proceed with the current cost award process. Your cost claim will be assessed at that time.

Yours Truly,
