Secretary & Treasurer
Chapleau Public Utilities Corp.
110 Lorne Street S.
Chapleau, Ontario P0M 1K0

Dear Ms. Morin:

Subject: Regional Planning Status

In reference to your request for a regional planning status letter, please note that your Local Distribution Company (LDC) belongs to the Northwest Region, which is in Group 1. A map showing details with respect to the 21 Regions/Groups and list of LDCs in each Region is attached in Appendix A and B respectively.

This letter is to confirm that the regional planning process has not been initiated nor has a Regional Infrastructure Plan (RIP) been developed for the sub-region within the Northwest Region affecting the Chapleau Public Utilities Corp. I am expecting that the regional planning for the Northwest Region will be initiated in 4th quarter of 2013 or 1st quarter of 2014. Hydro One will formally notify your organization in advance, along with other stakeholders, prior to launching the regional planning process.

The new planning process provides flexibility, during the transition period to the new process, and will ensure that both distribution and transmission planning continue to address any short-term needs. Hydro One looks forward to working with Chapleau Public Utilities Corp. in executing the new regional planning process.

If you have any further questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to be "Ajay Garg", with a long horizontal line extending to the right.
