LETTER OF COMMENT

Comments:

I am a resident of Milton and have kept all my hydro bills since 2013. I quick analysis of them shows 9% increase by Milton Hydro from 2013 to 2014, 6% increase by Milton Hydro from 2014 to 2015, and a whopping 19% by Milton Hydro between 2015 and now. That's a 37% increase in three years. Once again 'more for the same'.

Milton Hydro should not be allowed to inflict further misery on their customers, and should be made to explain this 37% increase.
