Milton Hydro Distribution Inc. ("Milton Hydro") has complied with the requirements set out in the Ontario Energy Board's ("OEB's") Letter of Direction and Notice of Application dated August 25, 2016 and as sworn to in the Affidavit of Service of Cameron McKenzie dated August 31, 2016 and appropriately filed with the OEB. The Notice of Application set a date of September 9, 2016 for any party to become an active participant. As there were no requests made for active participation or intervenor status Milton Hydro submits that a formal hearing is not required.

Milton Hydro therefore respectfully requests that it's Application for Lost Revenue Adjustment Mechanism Recovery for 2011 to 2014 CDM Programs, OEB File No. EB-2016-0242 be disposed of by way of an OEB Delegated Authority.

Yours truly,
