Dear Ms. Walli:

RE: EB-2015-0245 – Union Gas Limited (“Union”) – Demand Side Management (“DSM”) - Evaluation Advisory Committee (“EAC”) – Revised Cost Claims Submission

Union filed a letter regarding costs claims in the above noted proceeding on September 8, 2016. In this letter Union outlined the parties from whom it had received cost claims and noted variations in the hours claimed in the “Preparation for and attendance of DSM Evaluation Advisory Committee meetings” category. Union has subsequently confirmed an error in its understanding of the total hours allowed in this category. Appendix A to the Notice of Hearing allows for a maximum claim of 12 hours in this category. All parties’ cost claim submissions fall within the maximum hours. As such, Union has no concerns with the cost claims.

Should there be any questions regarding this submission, please contact me at 519-436-5334.

Yours truly,
