**Attention: Kirsten Walli, Board Secretary**

Dear Ms. Walli:

**Re: EB-2016-0152 – OPG 2017-2021 Payment Amounts  
GEC Request for Information at Technical Conference**

We are in receipt of GEC's letter of September 14, 2016. The letter does not fairly describe the intent of OPG's letter of September 13, 2016. Given the extent of GEC's requested scenarios, OPG's letter was intended to address the scope of the untranscribed technical conference, which, based on Procedural Order No. 1, was to permit parties an opportunity to understand OPG's application as it relates to the DRP and rate smoothing, as filed. Contrary to the assertion of GEC, OPG's letter was not an attempt to "restrict hearing scope" and the "issues list".

Yours truly,

Charles Keizer
