Dear Ms. Walli:

Re: EB-2016-0160 – Hydro One – Cost of Service

I am writing on behalf of Environmental Defence to notify Hydro One of the anticipated topic areas of Environmental Defence's questions at the upcoming technical conference.

Environmental Defence intends to ask questions relating to:

1. Ontario's import and export constraints arising from Hydro One's transmission system; and
2. Line losses arising from Hydro One's transmission system.

For further details, please see Environmental Defence's interrogatories and our correspondence dated September 8, 2016.

Environmental Defence asks that Hydro One include witnesses on the witness panel who are best able to address questions relating to the above two topics.

Please do not hesitate to contact me if anything further is required.

Yours truly,

Kent Elson
