Dear Ms. Walli:

**RE: EB-2016-0160 Hydro One Networks Inc. (“Hydro One”)  
Procedural Order No. 2 – Technical Conference**

Hydro One wishes to advise parties that it will have two witness panels available on September 22, 2016 to address clarifications to interrogatories. Due to previous commitments, the order and attendance of witnesses will be as follows:

**Morning Panel**

Mr. Oded Hubert  
Mr. Keith McDonell  
Mr. Bijan Alagheband  
Mr. Henry Andre

**Afternoon Panel**

Mr. Oded Hubert  
Mr. Mike Penstone  
Mr. Chong Kiat Ng  
Mr. Bing Young

The morning panel will be available to provide clarifications to interrogatories concerning load forecast methodology, cost allocations, corporate costs, revenue requirement components (other than capital investment) and benchmarking.

The afternoon panel will provide a presentation on the reliability risk mode and the asset risk assessment methodology. They will be available to address clarifications on these and other matters including operational performance, scorecard metrics and customer engagement.

The availability and attendance of witnesses on Friday, September 23, 2016 will be dependent upon outstanding areas not addressed during the Thursday session. If parties have estimates of the time they require, Hydro One would request this information be provided to Hydro One and the Board as soon as possible.

Yours truly,

McCarthy Tétrault LLP
