Dear Ms. Henderson:

**Re: Hydro One Networks Inc.
2017 and 2018 Transmission Cost of Service Application
Board File Number EB-2016-0160
Submission of Proposed Issues List**

In Procedural Order No. 1, the OEB ordered that OEB staff "...shall file a proposed issues list, or, alternatively, shall advise the OEB in writing that the parties and OEB staff have been unable to reach an agreement on a draft issues list by September 26, 2016."

On September 26, 2016 OEB staff advised the OEB that parties were unable to reach an agreement on a proposed issues list and therefore staff were unable to meet the September 26 filing date. OEB staff informed the OEB that issue list discussions are to take place the week of September 26, 2016 and requested an extension for the filing of the proposed issues list until October 4, 2016.

The OEB will grant the extension requested. OEB staff shall file a proposed issues list, or, alternatively, shall advise the OEB in writing that the parties and OEB staff have been unable to reach an agreement on a draft issues list, by October 4, 2016.

Yours truly,
