Dear Ms. Walli:

Re: Ontario Power Generation Inc. 2017-2021 Payment Amounts, EB-2016-0152

As presented in its September 14 letter, Energy Probe Research Foundation (“Energy Probe”) plans to submit evidence in Ontario Power Generation’s 2017-2021 Payment Amounts application.

We would like to request a potential extension for interrogatories (IRs) that are due on October 3, 2016. While Energy Probe will be submitting IRs drafted by consultants obtained by Energy Probe, we will not be submitting any IRs from the potential witnesses from Oxford. The reasoning for that delay is that we – in the interest of not incurring undue costs either for Energy Probe or the Board – have told the witnesses not to spend time on the rate case until the Board has provided direction in response to our letter.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,
