Dear Ms. Walli:

**Re: Enersource Hydro Mississauga Inc., Horizon Utilities Corporation,  
PowerStream Inc. (collectively, the “Applicants”) – Application under  
Section 86 of the *Ontario Energy Board Act, 1998*  
Board File No. EB-2016-0025**

We, together with Aird & Berlis LLP, are counsel to the Applicants in the above-captioned matter. In Procedural Order No.5, issued on September 21, 2016, the OEB ordered that OEB Staff and intervenors were to file their written submissions with the OEB and deliver them to the Applicants by no later than October 7, 2016; and that the Applicants were to file any reply submission with the OEB and deliver it to the intervenors by no later than October 14, 2016.

With the exception of the School Energy Coalition (“SEC”) submission, the OEB Staff and intervenor submissions were received between the evening of October 4<sup>th</sup> (BOMA) and the morning of Saturday, October 8<sup>th</sup> (AMPCO). The SEC submission was not delivered until yesterday afternoon (October 11<sup>th</sup>). Mr. Shepherd explained that the delay was due to equipment problems.

The Applicants are working diligently to finalize and deliver their reply submission, but in light of the timing of the SEC submission, they will require a brief amount of additional time to do so. We ask that the OEB extend the deadline for the filing and delivery of the reply submission to Tuesday, October 18, 2016.

We trust that this will be acceptable to the OEB, and we thank you for your consideration in this matter. Please do not hesitate to contact me should you have any questions in this regard.

Yours very truly,

**BORDEN LADNER GERVAIS LLP**
