Re: Atikokan Hydro Inc. IRM EB-2014-0056 and EB-2015-0052

Dear Ms. Walli,

Atikokan Hydro Inc. has recovered in full the RSVA from IRM EB-2014-0056. The sunset of this rate rider is in effect until April 30, 2018. We are requesting permission to cease this recovery immediately for 2015 Sub Account [EB-2014-0056]. As the table below reflects Atikokan is now in a position to pay back to our customers. Balances as of August 23, 2016 are as follows:

1595 Recovery	Principal	Interest	Balance
2012 sub account (completed 2016)	(13,865.82)	2,510.20	(\$11,355.62)
2015 sub account (sunset Apr 2018)	(98,586.23)	(467.06)	(\$99,053.29)
2016 sub account (sunset Apr 2017)	42,206.92	7.65	\$42,214.57
Total	(\$70,245.13)	\$2,050.79	(\$68,194.34)

The reason for the quicker recovery than the proposed recovery period is our local mill is in production and the kW's purchased is substantially higher than at the time of implementation of the rate rider.

Atikokan further proposes the rate rider EB-2015-0056 in affect also cease immediately and the balances for disposition be considered in our COS EB-2016-0056. At this time, both the 2015 and 2016 sub account balances can be addressed; potentially offsetting one another.

Sincerely,
