Dear Ms. Walli:

**Re: Wataynikaneyap Power LP - Application for Accounting Order to Establish  
Deferral Account (EB-2016-0262)**

We are counsel to 2472883 Ontario Limited ("Wataynikaneyap Power GP") and Wataynikaneyap Power LP ("WPLP") in connection with the above-referenced application.

On October 17, 2016 we received a Letter of Direction requiring the applicant to insert certain dates into the Notice of Application (in four languages as provided by the Board) and to then post those Notices in a prominent place on the applicant's website. The Letter requires the applicant to file with the Board pdf versions of the completed Notice prior to completing the further steps required by the Letter. Accordingly, please find enclosed pdf copies of the completed Notice in English, French, Ojibway and Oji-Cree. As the Notice is being posted on the applicant's website as of October 19, 2016, the date inserted into the Notice in all instances is October 31, 2016. Upon completion of the remaining steps, we will file an affidavit of service.

If you have any questions, please do not hesitate to contact me at the number shown above.

Yours truly,

Jonathan Myers
