Application 2017 & 2018 - Board File Number: EB-2016-0160  
Letters filed in Support of the SEC Motion**

The OEB acknowledges the receipt of letters dated October 18, 2016 submitted on behalf of the Vulnerable Energy Consumers Coalition, Consumers Council of Canada, Canadian Manufacturers and Exporters and the Association of Major Power Consumers in Ontario.

These letters contain comments in support of the relief requested in the School Energy Coalition (SEC) motion of September 28, 2016.

The OEB will take these comments into account when it considers the relief requested by SEC.

Hydro One should include in its submission due on October 21, 2016, any response that it wishes to make related to the contents of these letters.

Yours truly,
