Dear Ms. Walli:

Re: EB-2016-0152 – Ontario Power Generation Inc. 2017-2021 Payment Amounts Application – Responses to Interrogatories

Attached please find OPG's responses to interrogatories from OEB staff and intervenors. The responses are sorted by issue and within each issue by party. OPG has submitted these documents through the Regulatory Electronic Submissions System and is providing twelve (12) paper copies. An electronic copy (USB stick) is provided with this letter. This material will also be available on OPG's website at www.opg.com by October 28, 2016.

Because of the large size of the files, OPG is unable to email the files to intervenors. An electronic copy (USB stick) of the responses filed today will be couriered to intervenors of record.

OPG has made its best efforts to file responses on time. However, because of the very large number of interrogatories received, 884 in total, there are certain interrogatories responses that remain to be filed. These interrogatories are listed in Attachment 1. OPG will file the remaining responses by Tuesday November 1, 2016.

Certain documents within the application contain confidential information. Under separate cover, and in accordance with the Ontario Energy Board's *Rules of Practice and Procedure and Practice Direction on Confidential Filings*, OPG requests confidential treatment of this information.

Certain documents are marked as confidential but the redacted public versions filed with the interrogatory responses are not confidential.

If you have any questions regarding this submission, please contact me at 416-592-5419.

Yours truly,
