Inadvertent Disclosure of Claimed Confidential Information**

On October 31, 2016, OPG advised the Ontario Energy Board (OEB) and parties to the proceeding by letter that it had inadvertently disclosed information that is the subject of a claim for confidential treatment. The information is in the Risk Register that OPG filed on October 26, 2016 at Attachment 7 to interrogatory response Exh L-4.3-Staff-73.

OPG requested that Attachment 7 to interrogatory response Exh L-4.3-Staff-73 be removed from the OEB website and that any persons who have not signed the OEB's form of the Declaration and Undertaking in this proceeding not review the document and permanently delete it from their records.

The document, as filed on October 26, 2016, has been removed from the OEB website. Any persons who have not signed the OEB's Declaration and Undertaking in this proceeding are directed by the OEB to immediately destroy any electronic and paper copies.

Yours truly,
