Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc. (“Enbridge”)
EB-2016-0054 – Seaton Land Development Pipeline Project
Partial Energization of the Seaton Project**

On June 23, 2016, the Ontario Energy Board (the “Board”) issued the Decision and Order for the above noted proceeding.

With this letter Enbridge is informing the Board of its intent to energize a portion of the Seaton Land Development Pipeline Project (the “Project”). Specifically Enbridge will be energizing the 0.5 km NPS 6 steel portion of the Project on November 22, 2016. This section of the Project runs westerly along Taunton Road from near the intersection of Taunton Road and Sideline 16 to the District Station situated between Brock Road and Sideline 16. This will permit restoration in this area to proceed in the fall. The remainder of the pipeline project will be energized later in 2016.

Please contact the undersigned if you have any questions.

Yours truly,

(Original Signed)
