**Re: NOTICE OF PROCEEDING
To implement the Ontario Energy Board Decision to eliminate the Hydro
One Networks Inc. Distribution Seasonal Rate Class
Notice and Procedural Order No. 1**

In its Notice of Proceeding dated November 3, 2016 the Ontario Energy Board (OEB) initiated a proceeding under section 78 of the *Ontario Energy Board Act, 1998* to consider the remaining steps for the elimination of Hydro One's seasonal rate class.

The OEB has become aware of an omission in the Notice of Proceeding that was issued, as addressed below:

On page 2 of the Notice and Procedural Order No. 1, the OEB ordered:

1. Hydro One's current seasonal class rates as approved in the EB-2015-0079 Rate Order of January 14, 2016 are declared interim as of the date of this Procedural Order.

The declaration of interim rates for the seasonal class as of the date of the Notice of Proceeding (November 3, 2016) should also have included the other rate classifications, and should read:

1. Hydro One's current rates for all rate classes as approved in the EB-2015-0079 Rate Order of January 14, 2016 are declared interim as of the date of this Procedural Order.

Pursuant to its powers under Rule 41.02 of the OEB's Rules of Practice and Procedure, the OEB may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in its orders or decisions.

The OEB has amended the Notice of Proceeding to correct the omission.

The revised Notice of Proceeding is attached. This revised Notice supersedes and replaces the previously issued Notice.

Yours truly,
