**Re: EB-2016-0152, Ontario Power Generation Inc. Payment Amounts – Issues Prioritization**

---

Dear Ms. Walli:

Pursuant to Procedural Order #1 – *Issues Prioritization*, we are writing on behalf of the Ontario Association of Physical Plant Administrators (OAPPA).

Upon review, OAPPA agrees with the Board Staff in its prioritization of the issues. However, we note that in particular, that OPG proposes Issue 7.2, *Bruce Lease Impacts*, as being Secondary. Given the materiality of a \$401 million net loss in revenue during the Test Period, we believe the issue to be material in nature and as the Board Staff submitted, request its consideration as a Primary Issue.

Please contact the undersigned if the Board requires any further information regarding.

All of which is respectfully submitted.

Yours truly,

Scott Walker, P.Eng., MBA
