Dear Ms. Walli:

**RE: EB-2016-0160 Hydro One Networks Inc. ("Hydro One") Witness Responsibility Allocation for Hearing before the Ontario Energy Board ("Board")**

Hydro One encloses a listing of the witnesses who will appear during the oral portion of the EB-2016-0160 proceeding. In total, there are nine witness panels (including independent expert panels). Members of each witness panel and their evidentiary responsibilities are set out in the attached Table.

At this time, we note that the Navigant/First Quartile independent expert Panel is only available on November 28, 2016. Depending on expected levels of cross examination and the need for all nine panels, pre-existing scheduling commitments of other witnesses may require some adjustments to the order of witness panel appearances.

Yours truly,
