Attention: Ms. Kirsten Walli

Dear Ms. Walli:

**Re: EB-2016-0152 - Ontario Power Generation Inc. ("OPG") Application for  
Payment Amounts (the "Application")  
Inadvertent Disclosure of Claimed Confidential Information**

---

Regrettably, OPG has discovered that the information over which confidential protection has been claimed and was inadvertently disclosed in L-4.3-1 Staff-73, Attachment 7 (and which was the subject of OPG's letter dated October 31, 2016) is also inadvertently disclosed in the interrogatory response to L-4.3-7 ED-004, Attachment 1. The subject information is captured by the OEB's Procedural Order No. 3 about which the OEB required additional submissions from OPG, the SNC/Aecon JV, and Candu. Submissions in this respect were filed on November 11, 2016.

Pending a ruling by the OEB in respect of P.O. No. 3, OPG requests that L-4.3-7 ED-004, Attachment 1 be removed from the OEB's website and that those intervenors who have not signed the OEB Declaration and Undertaking in this proceeding refrain from reviewing L-4.3-7 ED-004, Attachment 1, and permanently delete and/or destroy the document whether in electronic or paper form.

OPG undertakes to file a non-confidential version of the subject document as soon as possible.

Yours truly,
