- JT1.13 is for production of Amendment 6 for the Retube and Feeder Replacement Contract with the SNC/AECON Joint Venture, Amendment 2 for the Turbine Generators Engineering Services and Equipment Supply Contract with Alstom, Amendment 2 for the Turbine Generators EPC Contract with the SNC/AECON Joint Venture; Amendment 3 for the Extended Services Master Services Agreement with E.S. Fox Limited and Amendment 3 for the Extended Services Master Services Agreement with Black & Macdonald Limited.
- JT3.4 is for production of 19 internal audit reports, all which must be reviewed for claimed confidential information.
