Parties to EB-2016-0152

**Re: Ontario Power Generation Inc.
File Number EB-2016-0152
Inadvertent Disclosure of Claimed Confidential Information in L-4.3-7 ED-004, Attachment 1**

On November 14, 2016, OPG advised the Ontario Energy Board (OEB) and parties to the proceeding by letter that it had inadvertently disclosed information that is the subject of a claim for confidential treatment that is currently before the OEB. The information is in L-4.3-7 ED-004, Attachment 1. The subject information is captured by the OEB's Decision on Confidential Filings and Procedural Order No. 3, dated November 1, 2016 about which the OEB required additional submissions from OPG and certain contract counterparties of OPG.

OPG requested that pending a ruling by the OEB in the on-going matter, that L-4.3-7 ED-004, Attachment 1 be removed from the OEB's website and that those intervenors who have not signed the OEB's Declaration and Undertaking in this proceeding refrain from reviewing L-4.3-7 ED-004, Attachment 1, and permanently delete and/or destroy the document whether in electronic or paper form.

As requested, the subject attachment, has been removed from the OEB's website. Any persons who have not signed the OEB's Declaration and Undertaking in this proceeding are directed by the OEB to immediately destroy any electronic and paper copies of the noted document.

Yours truly,
