**Re: EB-2016-0160, Estimated Examination Timing in Hydro One Networks Inc. Transmission Rates Application Oral Hearing**

Dear Ms. Walli:

We are counsel to Anwaatin Inc. (**Anwaatin**) in the above-noted proceeding (the **Proceeding**). Board Staff requested that parties in the Proceeding provide time estimates for their intended examinations via email on November 18, 2016.

Anwaatin estimates that its direct examination will take approximately 30 minutes. Anwaatin intends to cross-examine the following panels for approximately the following lengths of time, subject to reduction based on coordination with other intervenors:

- Strategy Panel, 20-30 minutes;
- Expert IPSOS Panel, 20-30 minutes;
- Planning Panel, 45-60 minutes;
- Execution, Operating, Common Panel, 15-20 minutes;
- Finance Panel, 15-30 minutes; and
- Load & Rate Design Panel, 20-30 minutes.

In addition to his oral evidence, Anwaatin's witness, Dr. Don Richardson, intends to present the video evidence linked to in his written evidence and sent previously to the Ontario Energy Board (the **Board**) via USB thumb drive. Dr. Richardson is available to provide his evidence on November 25, 28 and 29. Anwaatin respectfully requests that the Board schedule Dr. Richardson's testimony accordingly.

Yours very truly,
