Dear Ms. Kardum:

**Re: Ontario Power Generation Inc. (OPG)  
Ontario Energy Board File Number EB-2016-0152  
Request for Extension to the Date for Filing Submissions**

This letter is in response to your letter dated Nov 22, 2016, requesting an extension to the date for filing submissions, as set out in the OEB's Decision on Confidential Filings and Procedural Order No. 3 (the "Order"), dated November 1, 2016 in the above matter.

Your request for extension is granted. Candu Energy Inc. (Candu) must file its submissions by November 29, 2016. By granting this extension, the OEB is also rescinding the dates in the Order for OEB staff and intervenor submissions and reply submissions as they apply to Candu. The OEB will make provisions for the filing of OEB staff and intervenor submissions on Candu's submission and Candu's reply submissions in a subsequent procedural order.

For clarity, the date of November 25, 2016 in the Order with respect to the filing of reply submissions by OPG and the SNC Lavalin Nuclear Inc. and Aecon Construction Group Inc. Joint Venture in respect of their request for confidentiality for certain contracts related to the Darlington Refurbishment Program, still applies.

Given that the original date for submissions was November 11, 2016, the OEB will not grant further extensions to Candu for the filing of submissions as the OEB would like to bring this matter to a timely conclusion.

Yours truly,
