Dear Mr. Catalano:

**Re: Hydro One Networks Inc.  
Request for an Accounting Order – Load Transfer Elimination  
Board File Number EB-2016-0279**

On September 23, 2016, an acknowledgement letter was sent to Hydro One Networks Inc. which acknowledged receipt of your application in regards to an Accounting Order to establish a Deferral Account for Load Transfer Elimination Mitigation. The OEB assigned File Number EB-2016-0279 to that application.

We are writing to advise that the OEB has decided to use the original file number used for the Decision and Order requesting Hydro One to file for the draft Accounting Order (i.e. EB-2016-0167) instead of the new file number; therefore, EB-2016-0279 will no longer be active.

Please refer to EB-2016-0167 in all future correspondence to the OEB regarding this matter and direct any questions relating to this application to Saleh Lavaee, Analyst, at 416-440-8145 or e-mail, [Saleh.Lavaee@ontarioenergyboard.ca](mailto:Saleh.Lavaee@ontarioenergyboard.ca).

Yours truly,
